Applicants marked "amended" claims as "original" and also did not underline "all" of the changed portions for claims 21-24 (e.g., compare original claim 24, which states, "The method of claim 1" to "original" claim 24 that is currently being submitted, which states, "the library of claim 1"). Thus, the word "method" has been changed to "library", but was not indicated in any way. Similar problems exist for claims 21-23.
